WHY GALVANIZED PALLETS

FEATURES

- Light weight
- No fumigation required
- No bugs infestation
- No breakage
- Size and base customization (Rubber sheet)
- Consistent quality and size
- Extended life
- Rust free
- Eco friendly

BENEFITS

- Increased efficiency in material handling
- Reduced cost of material handling
- Lower maintenance cost
- Standardized product specifications
- No disposal problems
- Overall reduced cost of ownership
- Better protection of epoxy floor

IMPORTANT NOTICE TO PURCHASER

Product Use: User is responsible for determining whether the product is fit for a particular purpose and suitable for user's application. Warranty and Limited Remedy: The following warranties, express or implied, including but not limited to any implied warranty of merchantability, implied warranty of fitness for a particular purpose and any implied warranty arising out of a course of dealing, custom or usage of trade. Tonglit Autogistic warrants that its products will be free from defects in materials and manufacture. If any product is proved to be defective, then the exclusive remedy, and Tonglit Autogistic sole obligation shall be, at Tonglit Autogistic option, to replace the quantity of the product which is proved to be defective or to refund the purchase price. Limitation of Liability: Tonglit Autogistic shall not be liable for direct, indirect, special, incidental or consequential damages based upon breach of warranty, breach of contract, negligence, strict liability or any other legal theory. The foregoing Warranty and Limited Remedy and Limitation of Liability may be changed only by written agreement signed by authorized officers of Tonglit Autogistic.
